**R**eferência mundial no fabrico de faiança decorativa e de mesa, a Bordallo Pinheiro é indissociável da obra e da personalidade do seu fundador, Raphael Bordallo Pinheiro. Fundada em 1884, a marca portuguesa continua a demonstrar uma inesgotável capacidade de renovação, mantendo como elemento identitário uma mistura única de criatividade, naturalismo e humor. O exemplo maior dessa

função é a designada Arte Bordallo, composta por réplicas do vasto legado de Raphael e de seu filho, Manuel Gustavo, hoje executadas manualmente pelos artesãos da Fábrica de Faianças

das Caldas da Rainha. A fábrica foi fundada com o objetivo de revitalizar a arte tradicional da cerâmica, misturando-a com novos estilos e referências culturais. Representava, acima de tudo, a forma ideal de Raphael Bordallo Pinheiro expressar a sua visão singular e o seu notável fôlego artístico.

Assim nasceram criações que perduram até hoje no nosso imaginário coletivo. Aqui o fundador colocou toda a sua paixão e criatividade, a par da consciência social e do sentido de humor que o animavam. Ostentando orgulhosamente técnicas de produção com séculos de existência, auxiliadas pelas mais modernas tecnologias de

Founded in 1884, the Portuguese brand continues to demonstrate an inexhaustible capacity for renewal, preserving an element of its identity: a unique combination of creativity, naturalism and humour. The major example of this fusion is designated as Arte Bordallo (Bordallo Art), constituted by replicas of the immense legacy of Raphael and his son, Manuel Gustavo, that nowadays are handcrafted by the artisans of the factory Fábrica de Faianças in Caldas da Rainha. The factory was founded in 1884 with the purpose of reviving the region's traditional
